Mayor Bennett addressed those in attendance regarding the north side parking closure. Organizers of Thunder on the Strip did not make the request. The safety committee brought up the issue. There has been several instances of cars or golf carts hitting motorcycles while trying to park vehicles. Another issue is bikes parking in front of fire hydrants or crosswalks. The parking situation is confusing by the patrons resulting in the issuance of a parking citation. Thunder on the Strip is a community wide event; hopes everyone makes money. The Village and Thunder on the Strip is trying to be proactive in order to prevent accidents. As far as Thunder on the Strip is concerned, closing both sides of the strip does not mean much to the organizers.
