

GENEVA-ON-THE-LAKE POLICE DEPARTMENT OPERATION S.C.R.A.M. REGISTRATION FORM

The Geneva-on-the-Lake Police Department Security Camera Registration and Mapping (S.C.R.A.M.) Program provides an opportunity for residents and business owners to help officers solve local crimes. Video evidence, captured by private surveillance systems, can help officers develop leads and conclude investigations.

By registering, you'll be added to a secured database which will allow Geneva-on-the-Lake Police to see camera locations on a map near crime. Registration of your video surveillance system DOES NOT grant the Geneva-on-the-Lake Police Department, or its agents, access to your system. It simply lets law enforcement know the location of these systems in our Village.

- Participation is voluntary.
- Registration information will be used by the Geneva-on-the-Lake Police Department only for official purposes.
- The Geneva-on-the-Lake Police Department will not have direct access to any surveillance cameras registered in this program.
- Any footage containing or related to criminal activity may be collected by the Geneva-on-the-Lake Police Department for use as evidence during any stage of a criminal proceeding.
- Under no circumstances should registrants construe they are acting as an agent or employee of the Village of Geneva-on-the-Lake Mentor or the Geneva-on-the-Lake Police Department.
- If you wish to withdraw from the program, contact the Geneva-on-the-Lake Police Department.
